This case came before the South Carolina Procurement Review Panel (the Panel) for an administrative review on June 26, 2013. Otis Elevator Company (Otis) sought review of the Chief Procurement Officer’s “constructive[ ] deni[al]” of its protest, and requested a hearing before the Panel.

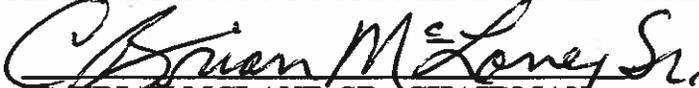

On July 22, 2013, Otis’s counsel notified the Panel via email that Cannon had decided to withdraw its appeal based on assurances from the Chief Procurement Officer that he would schedule a hearing on Otis’s original protest.

Therefore, having no appeal before us, it is hereby

**ORDERED** that this matter is **DISMISSED**.

**IT IS SO ORDERED.**
