NOTICE FROM THE OFFICE OF THE STATE ENGINEER

Please take notice that effective March 24, 2008 (the effective date of the new Manual), the Property Insurance provision (Builder's Risk) of the Supplementary Conditions to the General Conditions with the Contractor (00811-OSE Standard Supplementary Conditions) have been changed to require the contractor to purchase builder's risk insurance for the entire project covering the interest of all the parties. The new language in the 00811 modifying the AIA A201 – 1997 Edition will be included in the new manual. This will apply to all construction contracts in construction documents prepared after March 24. Please be sure that the new forms are included in your construction documents & that contractors are notified of this change in the insurance requirements at pre-bid meetings.
