STATEWIDE TERM CONTRACT - MEDICAL SUPPLIES

**Maximum Contract Period has been extended:
September 13, 2010 through February 19, 2017**

**Cardinal Health's current medical supplies contract has been moved to
Henry Schein Inc., contract number 4400012494. The new contract number
is only an administrative change and does not change any terms or
conditions; all remain unchanged and in full force and effect.**

The State has contracted with **two** medical supply vendors Grove Medical and **Henry Schein, Inc.** There are two structures that provide pricing. First, a market basket of approximately 92 items was selected as the highest dollar volume of products purchased. Based on the large volume of products various mark-ups were offered within the market basket. An excel spreadsheet, listed below, will provide the cost of the product, percent mark-up and the State's price. The remainder of products not in the market basket will be offered at a single percent mark-up.

Credit card applications are not required for any user of this contract. The South Carolina Purchasing Card is accepted under this contract. Online ordering will require a password and user ID.

Exclusions to the Medical Supply Contract

There may be an overlap in products that are often included in a Medical Supply Catalog and the catalogs currently being used in the statewide **Laboratory Equipment, Chemicals and Supplies Contract** and **Pharmaceuticals - Minnesota Multi-State Cooperative**.

The following is a list of items and/or categories excluded from contracts awarded by the solicitation.

- Capital equipment catalog items whose cost exceeds \$4,999.00 per unit, and
- Products covered by the statewide Laboratory and pharmaceuticals contracts, and
- Hospital beds, hospital furniture, and other like items.
