NOTICES

INCUMBENT WORKER TRAINING ASSISTANCE FOR SANTEE-LYNCHES W.I.A.

The Santee-Lynches Workforce Investment Area (SLWIA) announces the availability of Incumbent Worker Training Assistance (IWT) under provisions of the Workforce Investment Act of 1998. Funding is available now. The purpose of the IWT Program is to assist employers in training currently employed workers in an effort to keep businesses & workers competitive. Private sector South Carolina employers located in the counties of Clarendon, Kershaw, Lee & Sumter faced with changing skill requirements caused by new technology, retooling, new services / product lines & new organization restructuring or as a part of a layoff aversion strategy may be eligible for IWT assistance. Consideration for training funding will be based on the criteria noted above & the following types of training: technical & computer skills, basic academic skills, & industry or company specific skills, some certification training (day care, forklift operator, etc.) & soft skills (leadership, teamwork & management). Expected priorities are applications which show a significant upgrade in employee skills & or wage increases, significant layoff avoidance strategies & businesses who have not received an IWT agreement during the prior program year.

You may request an IWT application by email to Hope Turner at hturner@slcog.org, Areatha Clark at aclark@slcog.org, or Gwen Davis at gdavis@slcog.org. Also, you can access the information at www.slworkforcedev.org. Interested employers must forward an IWT request to Hope Turner, WD Finance Coordinator, Santee-Lynches Regional Council of Governments, Reference: IWT Program, PO Box 1837, (36 West Liberty St.), Sumter, SC 29151, by 5:00pm, Friday, March 27, 2009.
