SC DEPT. OF TRANSPORTATION QUALIFIED PRODUCTS LISTS & POLICIES

The South Carolina Department of Transporta-
tion (SCDOT) maintains Qualified Products
Lists (QPL) for a variety of pre-qualified mate-
rials that may be used on construction & main-
tenance projects as specified in the project
proposal. If a QPL is referenced, only the pre-
qualified products may be used.

The Qualified Products Policies (QPP) provide
information to the manufacturer of the material
to assist them in obtaining pre-qualified status.
Each QPL & QPP indicates when the last
revision occurred & a contact name in the
event assistance is required.

For information about the QPL lists & the policy
& procedures governing the testing & approval
of those products, please visit the Materials &
Research page at
http://www.scdot.org/doing/rm_lab.asp. This
site allows access to the contents of the vari-
ous lists & also access to the published policy
by selecting the date listed under the Policy or
the List categories.
